Control & Operation of Centrifugal Gas Compressors

Trainer/Speaker: Mark Dixon BSc CEng MIChemE MIGEM, Managing Director

Content

Compressor performance & selection
Instrumentation & control
Surge protection & compressor operation

Target Audience

Process operators, supervisors, engineers & technicians.

Duration

3 days – Mixture of workshops using computer simulation models, short lectures, practical exercises and videos.

Certificate & Cost

IChemE certificate. £1,330 + VAT.

Dates and Location

30th May to 1st June 2007 – Aberdeen

5th to 7th November 2007 – Aberdeen

19th to 21st November 2007 - Norway

Control & Operation of Industrial Gas Turbines

Trainer/Speaker: Mark Dixon BSc CEng MIChemE MIGEM, Managing Director

Content

Comprehensive overview of operation & control of industrial gas turbines.

Target Audience

Process, mechanical, maintenance engineers & operators.

Duration

2 days – Mixture of workshops using computer simulation models, short lectures, practical exercises and videos.

Certificate & Cost

IChemE/ESD certificate. £1,020 + VAT.

Dates and Location

8th & 9th November 2007 - Aberdeen

For any further details please refer to the course contact

Floating LNG – Production, Storage, Offloading & Re-gasification

Trainer/Speaker: Bob Hodder, Principle Trainer & Process Engineer

Content

Comprehensive overview of production, storage and transfer of LNG in a marine environment.

Target Audience

Engineers and managers.

Duration

2 days – Mixture of workshops using computer simulation models, short lectures, practical exercises and videos.

Certification & Cost

IChemE/ESD Certificate. £1,020 + VAT.

Dates & Location

18th & 19th December 2007 – Aberdeen

Control, Operation & Design of Reciprocating Gas Compressors

Trainer/Speaker: Mark Dixon BSc CEng MChemE MIGEM, Managing Director

Content

Comprehensive overview of the design, construction, control and operation of reciprocating compressors.

Target Audience

Operations personnel – Process operators, supervisors, technicians & engineers.

Duration

2 days – Mixture of workshops using computer simulation models, short lectures, practical exercises and videos.

Certification & Cost

IChemE/ESD Certificate. £1,020 + VAT.

Dates & Location

February 2008 – Aberdeen (actual dates to be confirmed)
