GAS INDUSTRY AWARDS 2027

About the Gas Industry Awards

Introduced in 1998 the Gas Industry Awards, organised by the **Institution of Gas Engineers & Managers (IGEM)** and the **Energy & Utilities Alliance (EUA),** have been recognising and rewarding the outstanding achievements of individuals and organisations working in the gas sector for over 25 years.

The winner of each award is announced and celebrated at a prestigious awards ceremony and gala lunch held in the spectacular surroundings of the InterContinental London Park Lane, London.

A flagship event with a strong reputation for uncovering highly innovative work and exceptional talent, the awards lunch is highly regarded by the sector and consistently attracts over 500 gas professionals, making it a fantastic networking opportunity.
