About the Gas Industry Awards

Introduced in 1998 the Gas Industry Awards, organised by the **Institution of Gas Engineers & Managers (IGEM)** and the **Energy & Utilities Alliance (EUA)**, have been recognising and rewarding the outstanding achievements of individuals and organisations working in the gas sector for over 20 years. They have built up a strong reputation for uncovering highly innovative work and exceptional talent.

The winner of each award is announced and celebrated at a prestigious awards ceremony and gala lunch held in the spectacular surroundings of the InterContinental London Park Lane, London. A flagship event for both IGEM and EUA, the awards lunch is highly regarded by the sector and consistently attracts over 600 gas professionals.

Sponsorship opportunities

Sponsoring the Gas Industry Awards is a great way to raise the profile of your organisation and align your brand with the best that the sector has to offer.

You might like to sponsor one of the 10 categories of award. Alternatively, you may choose to sponsor the awards ceremony and gala lunch that will take place on **Thursday 13 July 2023**.

Either way you'll be provided with a comprehensive package of promotional opportunities.
