Topic idea statement

Personal role statement

Academic level statement

(Please detail the Engineering Principles to be discussed in your report here)

Declaration

By the Applicant

I, the undersigned confirm that I have read and understood the below statement and certify that this technical report synopsis has been prepared by myself.

'Applicants must ensure that they are authorised by their employer to share any information within their application that may be deemed sensitive or confidential. This includes all documented evidence submitted to IGEM and is not limited to Technical Report Synopsis, Technical Reports and Professional Review Reports. If the content of an application is deemed to be inappropriate by the IGEM reviewers or assessors, then they are obliged to raise their concerns with the membership secretariat who will raise this with the applicant in the first instance. If the applicant's response is unsatisfactory, particularly relating to any Regulatory compliance issues under the HSWA etc. Act, then this will be raised with the employer directly'.
